

Relevant topics

1. Energetics

Advanced Energetics technologies
Energy Resource efficiency
Renewable Energies, *etc.*

2. Constructions

Numerical methods for data manipulation
Construction science and technology
Transport Systems, *etc.*

3. Textile

Textile Processing Testing and quality control
Developments in Textile Machinery
Modelling and Simulations, *etc.*

4. Management & Production

4.1 Production

Logistic and supply chain management
Technology management
Materials Science and Application, *etc.*

4.2 Management

Innovation Management
Finance, Management and cost accounting
Enterprise risk management, *etc.*

4.3 Management of Information Systems

Information technology infrastructure
Management enterprise network
System application in digital age, *etc.*

Invitation

1st International Conference “Engineering and Entrepreneurship” in Tirana, aims to bring together innovative academics, researchers, engineers, industrial experts, to give an overview of the state of the art, to present new research results and to exchange ideas and experiences in the field of Energetics, Management and Production, Textile and Construction.

All papers from Engineering, Production, Management, Management of Information Systems, Economics fields, business and theoretical or empirical, are highly encouraged.

You are invited to attend the conference, even if you choose not to present a paper.

We would be delighted to have you present at this conference to hear what the technology experts and researchers have to share about the technology advancements and their impact on our daily lives.

You can send your abstract and full paper via

General Information

Place: Tirana, Albania
Date: 17-18 November 2017
Scheduled Deadlines:

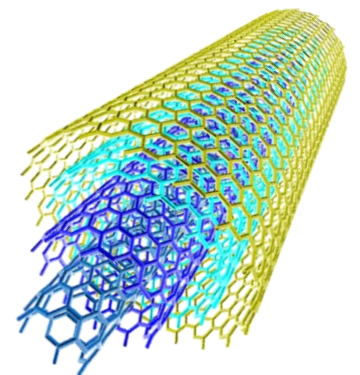

<i>Abstract submission:</i>	July 20th, 2017
<i>Abstract confirmation of acceptance</i>	July 31th, 2017
<i>Full Paper submission</i>	September 20th, 2017
<i>Regular Registration and Payment:</i>	October 16th, 2017
<i>Fee for one Paper</i>	50€
