Every day we challenge ourselves to perform our tax services at the highest standard level and meet our clients' expectations, by finalizing our efforts in a timely and proper way, in a very pressing contest, where our clients are monthly requested to perform different formalities in favor of the Tax Authorities. People being part of our **GES** unit play a fundamental role in this concern.

## Tax Consultant Global Employer Services (GES)

Location: Tirana

### As a part of the GES team, you will have the opportunity to:

- Apply your technical experience in tax compliance, compensation, global equity, and employment tax engagements to identify and consult on tax issues.
- Participate in expatriate tax, foreign national tax returns, mobility program support, global compensation review, global pensions, and payroll.
- Compliant with our internal policies and procedures, you will verify that all the conditions are met in order to submit the tax returns etc. to the Italian Tax Authorities within the assigned deadline and guarantees that they are regularly processed by the System and a receipt is released, to be then linked to the pertinent tax return. Otherwise arrange for all those actions with the appropriate people in order to solve any possible short circuits in the process (such as, negative outcome of the checks, file discards, receipts not released within 5 days, etc.).
- Collect and provide information from/to the competent professional in charge with the tax return at stake.

### Who we're looking for

- **Graduated** (or expected to be graduated soon) in **Economics, accounting, Finance, human resources and related fields**. Even if not strictly required, a graduation in accounting or tax fields or high-level knowledge on accounting and Italian tax topics at least would be a plus;
- **High "informatization". MS Office experience** required including Excel knowledge. "PROFIS by Sistemi" experience would be a significant plus
- **Fluent Italian and English** written and spoken;

### Apply if YOU

- Are willing to work as part of a team, build relationships and contribute to the positive and supportive culture of the practice;
- Capable of working within large, complex engagements and able to work efficiently and with a sense of urgency
- Excellent analytical skills as well as communication and time management skills;
- Proactive, organized, attention to detail, deadline oriented, hands-on and problem solving approach;

- Ability to prioritize tasks, work on multiple assignments, and manage assignments in a team environment.

### What we Offer

By joining Deloitte, you will:

- Take proactive career steps - set goals and career plans with your **Career Coach**;
- Gaining experience as a full-time team member and high degree of **responsibility**;
- **Continuously develop** through our Deloitte Learning Curriculum, e-learning modules and regional training program.
